

MODERN ENGINEERING INCREASINGLY
FOCUSES ON SUSTAINABLE PRACTICES.

REGPORT INTERNATIONAL

WELL - BEING FOR OURSELVES AND THE ENVIRONMENT
REFLECTS A COMMITMENT TO A SUSTAINABLE FUTURE

SUSTAINABILITY

ENGINEERING IS OUR MOTTO, SOLUTIONS COME NATURALLY !

REGPORT INTERNATIONAL FZCO, PO BOX 49751, Dubai Silicon Oasis, Dubai, UAE.
Contact No.: +971501218352, Email: sales@regportinternational.com

We are a company dedicated to addressing leading-edge engineering solutions globally. Our expertise spans diverse industries, including Oil and gas, Petrochemicals, Chemicals, WasteWater & Effluent Treatment, etc.

UPSTREAM / FPSO / FSO / RIGS / OFFSHORE /
CHEMICAL INJECTION SKID / SEPARATOR VESSEL

GREEN HYDROGEN / EFFLUENT & WASTEWATER /
CHEMICAL

DOWNSTREAM / FLARE STACK /
GAS NETWORKS / PRMS / TANKS / VESSELS

PRODUCT AND SERVICES OFFERED BY REGPORT INTERNATIONAL

- **Fluid Handling System**
Blending Skids, Loading / Unloading Skids
Analyzer & Sampling Systems, Centrifugal Pumps
- **Pressure Monitoring and Control**
Safety Relief Valve, Pressure Regulating Valves
Control Valves, Pressure Transmitters and Gauges
- **Tank Pressure Management System**
Blanketing Regulators, Breather Valves i.e. Pressure Vacuum Relief Valves
Flame Arrestors, Emergency Vents or Gauge Hatches
- **Temperature Monitoring and Control**
Temperature Sensors, Transmitters & Gauges, Control Valves Two / Three Way
Heating Skids for Fuel Gas/ Fuel Oil, Air Heating System
- **Level Monitoring and Control**
Level Sensors, Transmitters & Gauges, Control Valves
Tank Gauging System
- **Flow Monitoring and Control**
Flow Metering Skids, Filtration, Regulating and Metering Packages
Control Valves
- **Engineering Services**
Detailed Engineering & PMC Services
Industrial Automation Services for PLC, SCADA etc.

SUPPLY OF WATER BATH HEATER

- One of the prestigious project was design, engineering, manufacturing and supply of 12 sets of Heating Skids, which were installed on Barges for supplying the Fuel Gas to the Turbines at predetermined temperature
- Location : Nigeria
- Environment : Offshore

SUPPLY OF ASME SECTION-I, PSV'S FOR FPSO SAXI

- Regport have successfully designed, manufactured, tested and supplied 3 nos of 2½" 1500# x 5" 300# PSV's
- MOC: CS; Internals: SS316
- Application: Saturated Steam
- Environment : Offshore
- Location: Angola

SUPPLY OF CENTRIFUGAL PUMPS & MOTOR

- Size: 50mm x 32mm (4 nos); 65mm x 40mm (2 nos) 80mm x 40mm (43 nos); 150mm x 125mm (24 nos)
- Application: Styrene Monomer, White Spirit, Kerosene, Soybean Oil, TOFA, SOFA, Xylene, Butyl Acetate, VAM, AA, Glycerol, Diesel, Styrene Monomer, Propylene Glycol Water.
- MOC: Cast Iron; Impeller: Bronze/SS 316; Shaft: SS410;
- Sleeve: SS410/316
- Motor: 7.5KW ~ 11KW; 3500 rpm; 60HZ/380V
- Environment: Onshore

SUPPLY OF HIGH-PRESSURE SAFETY VALVE AND NITROGEN BLANKETING SYSTEM FOR FIRENZE FPSO (SAIPEM)

PSV comprised of the following,

- PSV: ½" NPT M x ½" NPT F
- PSV Qty: 30 nos
- PSV Set Pressure: 1 Barg to 350 Barg
- PSV MOC: SS316L

Nitrogen Blanketing System comprised of the following

- Self-Actuated Pressure Reducing/Regulating Valve (6 nos) Back Pressure Relief/Regulating Valve (8 nos), Blanketing Pressure Regulating Valve (2 nos), Pressure Vacuum Relief Valve (7 nos) and Vacuum Relief Valve (2 nos)
- MOC: SS316L

SUPPLY OF METALLIC EXPANSION BELLOWS

- Regport International supplied 24" Expansion Joints (10 nos) in SA 240 Gr 304, 1.2mm thk.
- Application: Connect Blower output (Process Gas)
- Environment: Onshore

SUPPLY OF PILOT OPERATED PRESSURE SAFETY VALVE (PO-PSV)

- We have successfully designed, manufactured, tested and supplied 2 nos of 2" ANSI 150# x 3" ANSI 150#, 3 nos, RF SERR Pilot Operated Pressure Safety Valve.
- MOC: CS; Internals: SS316 with compatible polymers
- Application: Separator Vessel
- Environment : Offshore

SUPPLY OF PILOT OPERATED PRESSURE VACUUM RELIEF VALVE (PO-PVRV)

- We have successfully designed, manufactured, tested and supplied 8 nos of 12" ANSI 150# x 14" ANSI 150#, RF SERR Pilot Operated Pressure Vacuum Relief Valve.
- Supply have been made for Zubair Mishrif Expansion, Iraq (End User: Basrah Oil Company)
- MOC: CS; Internals: SS316 with compatible polymers
- Application: Storage Tank
- Environment : Onshore

SUPPLY OF TURBINE METER

- Regport International has supplied 1.5" Turbine Flow Meter
- MOC: SS 316
- Application: Pharmaceutical Company
- Environment: Onshore

SUPPLY OF INDUSTRIAL MANUAL VALVES STRAINER AND PRESSURE GAUGES

- Regport have successfully designed, manufactured
- tested and supplied Ball Valve, Butterfly Valve, Check Valve (Non-Return Valve), Double Block Bleed Valve, Globe Valve, Gate Valve and Strainer
- Size : ½" to 24"
- Supplies: MENA region and India.
- MOC: CS to SS-316, Internals SS, as per Customer requirements
- Application: Oil & Gas (Process Gas / Fluid), Water
- Environment: Onshore / Offshore

SUPPLY OF CONTROL VALVE AND DIRECT ACTING AND PILOT OPERATED, SELF ACTUATED PRESSURE CONTROL VALVE (SAPCV), FOR MENA PROJECT NOT LIMITED TO FOLLOWING,

- Dalma Gas Development Project, ADNOC, UAE
- Ruwais – Diyab Gas Development Project, ADNOC, UAE
- Fateh / Rashid Field, Dubai Petroleum Project
- IBRI & SOHAR Gas Supply Station, OQGN, Oman
- Amine Unit Train 1 for Sour Gas Treatment Facility (SGTF) –Majnoon Oil Field, BOC, Iraq
- Nitrogen Blanketing Valves for ENI, Iraq
- Modular Oil Treating and Desalting Train 2 (MOTD2), ExxonMobil Iraq/ BL Energy, Iraq

- Yamama Formation Development Feed, West Qurna 2 Project, Lukoil Mid-East Ltd, Iraq
- NaOH dosing pumps P172A/B, K91 – Baiji Refinery, North Refinery, Iraq
- GPP-2 (C-200), Nitrogen Blanketing SAPCV for Amine, Hot Oil Drain Tank, Nigeria.
- Ajaokuta/Abuja Kaduna Kano Project, Nigerian National Petroleum Corporation, Nigeria
- Heater Treater Refurbishment Work (Pilot & Main Burner) on Shahd EPF Deve Project, CCED, Oman
- Bisat Oil Processing Facility (C-Station), Oman Green Hydrogen Project, Neom, KSA
- Demin Water System, Jizan Integrated Gasification and Power Company / Saudi Aramco, KSA

**SUPPLY OF PRESSURE SAFETY RELIEF VALVE (PSV), THERMAL RELIEF VALVE (TRV)
PRESSURE VACCUM RELIEF VALVE (PVRV), EMERGENCY VENT VALVE (EVV),
FLAME ARRESTOR (FA) FOR MENA PROJECT, NOT LIMITED TO THE FOLLOWING,**

- Mud Gas Separator, ADNOC Drilling, UAE
- Bushra Header Corrosion Inhibitor Skid, Daleel Petroleum LLC, Oman
- Bisat Production Facility (BISAT-P) & BISAT C, Oman
- Arabian Drilling, KSA
- CGF Supply Line to GT Units at Duba Power Plant, KSA
- 3 Phase Test Separator, ABS Engg. FZE, KSA
- Chemical Dosing Unit, SABIC (2PN-4602) Project, KSA
- Chemanol, KSA

- Baker Hughes Chemical Plant Facility, KSA
- Amine Unit Train 1 for Sour Gas Treatment Facility (SGTF) – Majnoon Oil Field, BOC – Iraq
- MWP Chemical Injection and Chemical Transfer Pump Packages, Rumaila Operating Organisation /Intech.
- Produced Water Tank, Zubair Mishrif DGS Expansion, BOC-Iraq
- Thermal Testing Facilities, Jurassic Production Facility – 4 (JPF-4) at North Kuwait, Kuwait.
- Knock Out Tank, Sludge Mitigation Hot Pad, NCSAVRON/17 – KOC project, Kuwait
- EPCI Of O&G Processing Facilities At Abura, Nigerian Petroleum Development Company, Nigeria
- Ajaokuta Kaduna Kano Gas Pipeline Project / ANOH Gas Processing, Nigeria

35 countries (5 continents) / 250+ accomplished projects

REGPORT INTERNATIONAL FZCO, PO BOX 49751, Dubai Silicon Oasis, Dubai, UAE.
